Seeking: Housing and community development projects and programs which serve principally low-income households, help eliminate slum and blight conditions, and/or provide shelter and services for the homeless.

Dear Prospective Applicant:

We are pleased to send this year's application for Fiscal Year 2013-2014 funding to your organization from the City of Haverhill's Community Development Department (CDD). Each year, the City of Haverhill is the recipient of a Community Development Block Grant (CDBG) from the U.S. Department of Housing and Urban Development (HUD). In turn, the CDD solicits projects from the local community and service organizations, in order to best serve the low-income households of Haverhill.

The funds available through this grant are awarded only to non-profit agencies with the capacity and experience to carry out a proposed activity. Please refer to the attached 'Request for Proposals Worksheet' if you have any question as to the applicability of your proposal.

The primary objective of the CDBG program is the *"development of viable urban communities by providing decent housing and suitable living environments and expanding economic opportunities, principally for low- and moderate-income individuals."*

To comply with the City of Haverhill's Annual Action Plan, a proposing agency must commit to one of the goals of the plan, as stated below:

- Programs to Improve the Quality of Life
- Programs to Help the Homeless
- Programs for Educational Improvement

All applications must benefit Haverhill residents, and target residents who earn 80% or below of Area Median Income (see attached income sheet).

If you are applying for a Public Service grant, please see the 'Request for Proposals Worksheet' attached to this letter for more detail and Pages 2 & 3 of the application for specific priorities of the City of Haverhill. If you are applying for another grant category, please call and speak with the Division Director.

A Community Affairs Advisory Board (CAAB) has been established to review applications and will do so as soon as proposals are in, after March 15, 2013 at 5:00 P.M. Eligible applications will be forwarded to the CAAB for review at that time. Organizations may be asked to present their proposals to the Board, during the first two weeks of April. Eligible organizations will be

notified of the time and date of their proposal presentation, if applicable. Please note that this application is for funds that will become available on **July 1, 2013**.

Please return your completed application to us by Friday, March 15, 2013 by 5:00 P.M. so that we may have adequate time for review.

There will be a Technical Assistance workshop to aid any organization that would like the assistance of the Community Development Department staff for completing the application on **Thursday, February 28, 2013 at 4:00 P.M.** in Room 301, City Hall, 4 Summer Street. This is not a compulsory workshop but please call if you plan to attend.

As always, if you have any questions feel free to call the Community Development Department at 978-374-2344.

Sincerely,

Andrew K. Herlihy
Division Director
